

*Dear Valued Stakeholder,*

*We asked. You answered. We all want more for our students. We all want to provide our students additional access to the arts, STEM, music, technology, and library materials, vocational and educational experiences that provide real world relevance. **That's exactly why Mt. Vernon Education Foundation exists.***

*As a stakeholder of the Mt. Vernon Community School District, you belong to a community that prides itself on having a strong public school system. The District is consistently named as a primary reason that families move to the area. **Keeping our schools district strong keeps our entire community strong thus Great Schools = Great Communities.***

*The Mt. Vernon Education Foundation helps to close the gap between the tax dollars available and the funds needed to preserve the comprehensive education that our community **values and expects** for our next generation. We hope you will join us at this year's **Black and Gold Gala.***
